12 Defendant.)

14 Offenses charged:

- 15 1. Possession of Fentanyl with Intent to Distribute

16 Date of Detention Hearing: September 10, 2021.

17 The Court, having conducted a detention hearing pursuant to 18 U.S.C. §3142(f) and
18 based upon the factual findings and statement of reasons for detention hereafter set forth, finds
19 that no condition or combination of conditions which defendant can meet will reasonably assure
20 the appearance of defendant as required and the safety of other persons and the community.

21 FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

- 22 1. Defendant has been charged with a drug offense, the maximum penalty of which

01 is in excess of ten years. There is therefore a rebuttable presumption against defendant as to
02 both dangerousness and flight risk, under 18 U.S.C. § 3142(e). Defendant has a lengthy
03 criminal record including multiple convictions for possession of a controlled substance,
04 unlawful possession of a firearm, and a federal conviction for conspiracy to possess with intent
05 to distribute methamphetamine. He is currently charged with Possession with Intent to
06 Distribute Fentanyl with records indicating that this alleged offense occurred while he was on
07 federal supervision for the above conviction.

08 2. Defendant poses a risk of flight based on the 61 warrants issued for his repeated
09 history of failure to appear. Defendant is a danger to the community because of his reoccurring
10 history of similar criminal conduct and background of noncompliance. Defendant allegedly
11 committed the current offense while on federal supervision. Defendant does not contest
12 detention at this time.

13 3. There does not appear to be any condition or combination of conditions that will
14 reasonably assure the defendant's appearance at future Court hearings while addressing the
15 danger to other persons or the community.

16 It is therefore ORDERED:

- 17 1. Defendant shall be detained pending trial, and committed to the custody of the Attorney
18 General for confinement in a correction facility separate, to the extent practicable, from
19 persons awaiting or serving sentences or being held in custody pending appeal;
- 20 2. Defendant shall be afforded reasonable opportunity for private consultation with
21 counsel;
- 22 3. On order of the United States or on request of an attorney for the Government, the person

in charge of the corrections facility in which defendant is confined shall deliver the defendant to a United States Marshal for the purpose of an appearance in connection with a court proceeding; and

4. The Clerk shall direct copies of this Order to counsel for the United States, to counsel for the defendant, to the United States Marshal, and to the United State Probation Services Officer.

DATED this 10th day of September, 2021.
